

Giacomo Spigler

- Liceo Scientifico Statale I. Newton, Roma (IT)
- website : <http://giacomo.spigler.net>
- email : spiglerg@gmail.com
- Scientific Interests:
 - Computer Vision
 - Primate/Human Visual System - Visual Cortex - Cerebral Cortex
 - Neurological models of Vision
 - Unsupervised Learning for Autonomous Object Recognition
 - Speech Recognition
 - Neural Networks
 - GPU Programming & Parallel Computing

Giacomo Spigler

-Current & Past work:

- Research on RF-LISSOM Cortex Model

 - (http://homepages.inf.ed.ac.uk/jbednar/rflissom_small.html)

- Riesenhuber & Poggio's Standard Model of Visual Cortex

 - (<http://cbcl.mit.edu/software-datasets/index.html>)

-More info and CV on my website.
